GENERAL MEETING

Our general meeting on Sunday, January 18th, held at Kaza Maza in Norco, was a wonderful success, as we doubled in size since last year (last year 4 people showed up, this time we had 8). The conversation revolved around ways that we can include more members in our events, and just catching up with each other. We also shared some fun ideas of techniques used to teach students of all ages, abilities and musical instruments. The food was great, and we had a wonderful time together. Hope we can double again next year. Here's to 16 teachers showing up next year!!!!

BACH FESTIVAL UPDATE

The Bach Festival will be held on Sunday, February 22 at Immanuel Lutheran Church in Riverside. Here are some important things to remember regarding the Bach Festival this year:

- At this point, the website is almost closed for registration (February 1 at midnight).
- Only music from J.S. Bach will be allowed to be performed, and also music from Anna Magdalena Notebook. The music from Anna Magdalena is not eligible to be chosen for the regional festival.
- Riverside Branch belongs to Region VI; however, teachers may choose any other region to register their students. Whatever region they choose, all of their students must be in that region. A teacher cannot choose more than one region.
- Judging will not be based on a percentage any longer. Any student receiving the minimum score of 270 from the rubric judges use universally will be chosen for the regionals. Therefore, students are competing with this score and not with other students.
- Teachers no longer have to belong to MTAC to participate. Any teacher is welcome.
- The date for the Regional Festival is Sunday, April 26 at University of Redlands.

We hope to have good participation this year!

INLAND EMPIRE PIANO FESTIVAL

The Inland Empire Piano Festival will be held on Sunday, February 1, 2026 at University of Redlands, and will feature music from the Contemporary Period. Information on this event is available at ***iepianofestival.squarespace.com***. The deadline for this coming year's event has already passed, and the IEPF board is hard at work on the scheduling for this event. This is also a great opportunity for any teachers and/or students that are interested in participating in the future, to go and check it out. The event is all day, open to the public, and free! There are six solo divisions, three duet divisions and one concerto division.

If you have any questions about IEPF, please contact Linette Rodríguez at LNRESR@GMAIL.COM

VOLUNTEERS NEEDED

Our branch is always looking for volunteers who would like to help with our events. Please consider helping in some way this year. You can contact any of the board members to get you connected.

DIRECTOR NEEDED: And speaking of needs, we are still in need of a Director in our board. The job description of a Director is very simple: attend the meetings, 3 in person, 2-3 online via Zoom, throughout the year. Directors just need to be listening to what is going on in the branch, they are welcome to give any input if they wish (or not), and they vote on matters pertaining to the branch. If you are willing to get a little more involved in the branch without committing to a major commitment, this is your opportunity. Please contact Cindy Abts, our president, at cindy@cindyabts.com

MESSAGE TO ALL EVENT CHAIRPERSONS

To all our wonderful teachers that chair events for our branch, first of all, THANK YOU for what you do! Please send a little report to our Corresponding Secretary, Linette Rodríguez (LNRESR@GMAIL.COM) with the attendance for the event and a small summary of how things went. We would like to publish these events in our Branch Update each month. Thank you!

April 1-April 15 — Requests for Makeup Evaluations accepted.

There are teacher videos provided by the CM Council that explain how to use the new online syllabus and the CM evaluation process. It includes an optional quiz to test yourself on your CM knowledge. There is also a help line in case you have a question that has not been answered in the Policies and Procedures. We encourage teachers to use these resources.
